

Following the Prime Ministers latest press conference and after much deliberation we the trustees have to announce with a heavy heart that we are closing the club until further notice.

This is a decision that we have not taken lightly but we have to our follow moral compass and abide by what the government is asking us all to do.

We will of course continue to review the decision regularly and hope to have the club back open as soon as we can.

Everyone's fobs will be turned off Friday evening. If anyone wants to get to into their locker please let me know directly and I will activate their fob.

On a personal note from the trustees and myself we wish everybody well and hope to see you all out on the river soon.
